

in the F.D.A Docket # 98N-1265

I'm writing ~~6832 99 MAY 25 A9 51~~ to MoU  
and Compounding Section 503A of the  
Modernization Act. I disapprove of  
the MoU and Compounding Section 503A  
as published by the FDA on 1-21-99.

I'm tired of government agencies  
limiting my choices as consumer  
to satisfy the whims of the  
"Big Pharmaceutical Companies"  
What are the FDA and the drug  
companies so afraid of? This is  
certainly not a safety issue, so  
why restrict the rights of my  
doctor and myself. I hope that  
regardless of where I live or travel  
my prescriptions will not be re-  
stricted in their delivery.

So please do the right thing  
for all consumers "Admend the  
MoU now." Docket No. 98N-1265

Sincerely

Pam Church
